

# 2019 EXPERIENTIAL LEARNING CONFERENCE

**Making Experiential Learning Explicit: Empowering Individuals and  
Teams in Business and Educational Organizations**

**June 6-7, 2019**

**Pre-conference Workshop June 5, 2019**

## **Request for Workshop and Presentation Proposals**

The Experiential Learning Community of Practice is seeking workshop and experiential program proposals from individuals to present at the annual Experiential Learning Conference to be held June 6-7, 2019 at the Glidden House in Cleveland, Ohio. The conference will be our seventh annual meeting to learn in community by sharing our research, practices, and insights through experiential programs and active workshops.

**This year's theme is Making Experiential Learning Explicit: Empowering Individuals, Teams, and Organizations. Please share how you have applied Experiential Learning in your academic or business environment and the value you have realized at the individual, team, and/or organizational level in a 60-90 minute program/workshop.**

The Experiential Learning Conference is targeted to educators in K-12 and higher education; business, community, and organizational leaders and managers; HR professionals including consultants, coaches, organizational development practitioners, facilitators, and trainers; researchers, students, and everyone interested in lifelong learning.

Proposals will be selected on the following criteria:

- Content of the workshop
- Significance/value of the topic to this audience
- Integration of theoretical foundation and innovation
- Tangible skills and/or outcomes for the attendees
- Format of the workshop is experiential/interactive using the learning cycle as a guide

**Please complete the program proposal form attached and submit to:  
[info@experientiallearninginstitute.org](mailto:info@experientiallearninginstitute.org) no later than November 15, 2018.**

**All presenters must register for the Conference. Join the Experiential Learning Community of Practice at [www.experientiallearninginstitute.org/who-we-are/community-of-practice/](http://www.experientiallearninginstitute.org/who-we-are/community-of-practice/).**
