LLC

Kay Peterson
Founder and CEO
Institute for Experiential Learning

Experiential Education and Higher Ed: The Catalyst for 21st Century Skills offers participants an engaging full-day experience to learn from and engage with Experiential Learning colleagues and experts, including a virtual program with David and Alice Kolb. Join us for this unique experience to address some of the most pressing challenges facing our students, through the practice and principles of Experiential Learning.

Benefits

- Interactive Virtual Discussion and Q&A with David and Alice Kolb
- Opportunities to engage with experiential learning experts including the CEO and Co-Founder of The Institute for Experiential Learning, Kay Peterson.
- Two hands-on workshops led and facilitated by Experiential Learning experts.
- Experiential Learning Tools that can be applied immediately in the classroom.
- Experiential learning applications for curriculum design.
- Networking and connecting with others who are using experiential learning.
